G3kids will only permit three STABLE (same kids every day) groups of 12 children to 2 Coaches in the gym for a duration of 6 hours (9am-3pm). We will not be offering extended care at this time. These groups will be kept separated in different rooms and only rotated after the next station has been thoroughly sanitized. These stabilized groups will keep the same 2 coaches through out the day. Because we are ONLY hosting stable groups we will not require children to maintain the 6ft apart order nor will they be required to wear face masks.

- Parents will be required to provide labeled water bottles, lunchboxes, and snack. We will be not providing snacks this year.
- Reservation must be made for one consistent week only, no drop ins and no walk ins please.
