Starting August 31st  
Monday - Friday  
8am-2:30pm  
\$999/month

### This program includes...

- Homework Help with onsite tutors
- Gymnastics/Ninja Lesson
- Teamwork and strategy games/activities
- Free play
- Story time
- Meal breaks

### Extended Care Option

8am-5:30 pm  
\$1399/month

With distance learning beginning for children in the SDUSD and other San Diego schools, we are excited to begin operating as a camp for assistance with school curriculum. This program will provide a place for kids to go during the day to focus on school work while also building social relationships, joining energy-burning activities, and increasing cognitive skills. G3Kids is happy and excited to be providing support to our San Diego community and families.

This is a hands on program, allowing parents to provide guilt-free care and academic development for their children. A worksheet will be given to parents weekly to fill out, that explains strengths and weaknesses, progress, special interests, etc. We will be opening monthly enrollments for this camp for consistency and to be able to provide the best help that we can. We will do our best to help provide assistance with learning but parents will be responsible for homework and work as well.

Children will be in separate, stable groups to prioritize a healthy and safe environment. G3Kids will continue to perform sanitation and disinfecting procedures following county, state, and CDC's guidelines. This includes but is not limited to:

- Sanitizing each space before every group enters
- Performing temperature checks and hand cleaning at arrival
- All staff wearing face coverings

*Is your child under 5 years old or still preparing for Kindergarten?*

**We will be open for Flip-2-Learn starting August 31st!**

Flip-2-Learn is our preschool preparation class, a program that promotes mind and body connection and all-around growth through active play. Kids participate in activities such as arts and crafts based on monthly themes, free play, instructed gymnastics/athletic skills, socializing with other children, and more!

Monday-Friday  
1-5x per week  
Price varies \$199-675/month  
NEW - Starting August 31st  
Offering extended care + nap time until 5:30 pm  
\$10/hr or monthly rate

\*\*\*We have tried to keep prices as low as possible while maintaining a safe and active environment. This is a tax deduction for care while working so please ask for our Federal Tax ID number and we can gladly give it to you. We are here to help!

**LIMITED SPACES AVAILABLE ::: RESERVE YOUR SPOT.**

For more information, please call (858) 333-1729 or email us at [infoutc@g3kids.com](mailto:infoutc@g3kids.com)

## G3ENRICHMENT QUESTIONS ANSWERED

We, as the owners of G3Kids, both have children in grade school and understand the concerns about this upcoming school year. Our goal is to create a program so our children can stay ahead and not fall behind on their academic growth. This is why we decided to open our doors during school time and help facilitate online learning as a critical component in our active day camp.

We have received a lot of questions from concerned parents and are doing our best to address them. Please keep in mind that with things being as fluid and evolving as they are, we may change some of our plans to accommodate different situations better.

\*Safety still remains a high priority for us, so sanitation practices and health checks will be preformed every morning.

**\*\*WE WILL HOLD A PARENT ORIENTATION WHEN IT GETS CLOSER TO AUGUST 31st THAT WILL ADDRESS THESE QUESTIONS IN DEPTH AND MORE\*\***

### 1. Will my child be following curriculum from schools and teachers - using laptops, etc?

Short answer-yes. We understand that each child will have a laptop with headphones for school work provided by the school. These will need to be brought every day as we will be following the programs given by the teachers during our “homework help” and “tutoring” sessions.

### 2. What happens when my child has a zoom meeting with a teacher?

We are doing our best to coordinate and work with schools and teachers to help facilitate schedules. We have come up with a template for rotations that WILL involve Zoom meetings. We will have children with the same teachers in the same group and our schedule will revolve around these meetings and tutoring - this is our main priority

### 3. How will my child be grouped with others?

We are going to do our best to keep children in the same grade and teachers together to help facilitate Zoom meetings, curriculum, and age groups. We are still mandated by the CDC and county of San Diego to maintain small stable groups so we will do our best to accommodate everyone

### 4. Who will be tutoring and helping with homework?

In addition to our amazing and talented staff, we will always be hiring tutors and occupational therapists to help assist students with online learning. We understand that your child's (as well as ours) education is paramount and therefore will be looking for people that we feel will make a difference

### 5. When do I need to enroll by?

We suggest letting us know as soon as you can. We are expecting to hit capacity quickly, with the demand is high for academic help; we want to offer our members here first choice.

### 6. How will tuition work? What happened when schools reopen?

This will be a monthly tuition program. This is to ensure the “stable groups” concept as well as personalize this experience for your child. We understand that each child learns at different paces and may have certain needs. In order for our tutors and camp staff to assist your child properly, we will need to be hands on with them regularly. Tuition will be charged at the beginning of each month (we will not be pre-charging a month in advance like we do with classes because of the fluid nature of this situation).

There is a non-refundable deposit of \$200 to reserve your spot, with the exception of schools opening then this amount would be refundable or credited. When schools reopen, we will be happy to help with anything needed to switch over!

### 7. What is my child isn't school age yet? Do you offer care for them as well?

Our Flip-2-Learn program functions as a “pre-k prep” and we have been running it for years now. This program is for children 5 and under, introduces children to the idea of a learning environment, socializing with other children, independence and mind-body connection. The program runs from 9am-1pm daily (choice of coming 1-5 days a week) with a new extended care option available 1-5:30pm daily starting August 31. This option can be added on for an additional cost that will be personally tailored to your family (how many days your child comes and for how long)

Please feel free to reach out with any questions or concerns, we will do our best to address them promptly. Thank you all for staying with us during such uncertain times. We wish you and your family a safe and happy rest of your summer!

Respectfully,  
Paul Britvar and Erin Klyczek  
G3Kids Owners
